

# WILSON CHOSEN PRESIDENT ROOSEVELT LEADS TAFT

## WILSON—SULZER SWEEP NEW YORK

Tammany Will Have Complete Control of Government and Legislature—Third Party Remains Third.

MR. WILSON'S PLURALITY 200,000

Rest of State Ticket Elected—Legislature More Democratic Than It Was Two Years Ago—Majority of State's Delegation in Congress Remains Democratic—Up-State Cities Lost.

The Democrats yesterday swept New York State. They took everything along the line, from Presidential Electors to the State Assembly. Tammany Hall will have complete control of the state government, with Governor, the state officers and the Legislature.

The third party remains the third party in this state. It cut into the Republican vote enough to defeat Republican candidates, but it could not attract enough to land its own candidates even in second place.

Governor Wilson and Mr. Sulzer carried the state approximately by 200,000. Mr. Sulzer ran slightly behind Governor Wilson. Mr. Hedges held second place, while Mr. Straus was third in the contest for Governor.

Returns from 2,825 election districts out of 3,093 in New York State outside of New York City give Taft 301,162; Wilson, 315,095; Roosevelt, 186,111. The same districts in 1908 gave Taft 522,431; Bryan, 353,517.

Returns for Governor from 2,454 election districts out of 3,093 in New York State outside of New York City give Hedges, Republican, 265,832; Sulzer, Democrat, 278,753; Straus, Progressive, 156,328. The same districts in 1910 gave Stimson, Republican, 339,359; Dix, Democrat, 312,159.

The total vote for President in New York City was Wilson, 309,203; Taft, 124,851; Roosevelt, 186,425. For Governor, with 97 election districts missing, the vote stands Sulzer, 287,980; Hedges, 105,775, and Straus, 177,651.

The Wilson-Sulzer vote carried with it the rest of the Democratic state ticket—Messrs. Glynn for Lieutenant Governor, Carmody for Attorney General, May for Secretary of State, Sohier for Controller, Kennedy for State Treasurer and Bensel for State Engineer. Messrs. Glynn and May are new to these offices, the rest now hold them.

The Legislature will be more strongly Democratic than it was two years ago, when Tammany, electing Mr. Dix, carried both houses. Then the Senate stood 29 Democrats to 21 Republicans and 1 Independent, and the Assembly 86 Democrats to 64 Republicans. Last year the Democrats were ousted from control of the Assembly, which went heavily Republican. On fairly complete returns the new Legislature showed 34 Democrats to 17 Republicans and 1 Progressive in the Senate and 102 Democrats to 46 Republicans and 2 Progressives in the Assembly.

The Democrats retain their control of the Congress delegation from this state, the figures standing 32 Democrats to 11 Republicans.

Some idea of the drift to Democracy is given by the fact that Governor Wilson carried the strongly Republican cities of Rochester and Syracuse and Monroe County, in which Rochester is. Mr. Sulzer carried Rochester, too, by a small margin.

The Socialists lost heavily in Schenectady County, lost their Assemblyman to the Democrats and now will be without representation in the Legislature.

WOODROW WILSON.  
The next President of the United States.

## LANDSLIDE PUTS DEMOCRATS ATOP

Control of Both Houses of Congress, New York, Massachusetts and Many Republican States Features of Wilson's Victory.

## SULZER THE NEXT GOVERNOR

Hedges Outruns Straus by About 35,000, but Wilson Defeats Taft by Almost 200,000 in State—New Hampshire and Rhode Island So Close Mr. Taft May Lose Them—Many Democratic Governors Elected in Record Sweep.

Woodrow Wilson, of New Jersey, was chosen President of the United States yesterday.

Swept into office by a Democratic landslide, he carried with him all of the doubtful states and many states firmly in the Republican column for years.

Wilson's popular plurality bids fair to exceed the record one of Roosevelt in 1904—2,500,000. The New Jersey man carried thirty-five states surely, giving him 390 electoral votes. He also pressed President Taft so closely in New Hampshire and Rhode Island that an official canvass in each state may be needed to determine the final result.

Colonel Roosevelt, who is second in the electoral vote race with 97, carried Kansas, Illinois, Iowa, Washington and Pennsylvania. The President was third, with 21 electoral votes: Idaho, 4; New Hampshire, 4; Rhode Island, 5; Vermont, 4, and Utah, 4. But of these he stood a chance of losing nine votes to Wilson if New Hampshire and Rhode Island switched.

Partial analysis of the votes available show the striking fact that the combined Taft and Roosevelt votes would have swamped Wilson in the nation as a whole.

Early returns gave Wilson the Solid South, Maryland, Connecticut, Delaware, Maine and even Massachusetts, the last named state by 25,000, estimated. New York swung to Wilson by almost 200,000.

## WILSON SAYS A GREAT CAUSE HAS TRIUMPHED

Princeton, N. J., Nov. 5.—Woodrow Wilson gave out at 10:45 o'clock to-night a statement of what his victory meant to him. This statement was made in a telegram sent to National Chairman William F. McCombs, and was as follows:

"I deeply appreciate your telegram and wish to extend to you and the members of the campaign committee my warm congratulations of the part you have played in the organization and conduct of a campaign, to-night, cut upon essential issues. A great cause has triumphed.

"Every Democrat, every true Progressive of whatever alliance, must now bend his full force and enthusiasm to the fulfilment of the people's hopes, the establishment of the people's rights, so that justice and progress may go hand in hand."

The telegram from Mr. McCombs to which Mr. Wilson replied was as follows:

"My warmest congratulations to you, our next President. You have won a splendid and significant victory. At this hour you appear to have received the largest electoral vote ever given to a Presidential candidate. The indications are that your administration will be supported by a Congress Democratic in both branches."

## COL. ROOSEVELT BOWS TO WILL OF THE PEOPLE

At 11:30 o'clock last night Colonel Roosevelt made the following statement:

"The American people by a great plurality have decided in favor of Mr. Wilson and the Democratic party. Like all other good citizens, I accept the result with entire good humor and contentment. As for the Progressive cause, I can only repeat what I have already for many times said: 'The fate of the leader for the time being is of little consequence, but the cause itself must in the end triumph, for its triumph is essential to the wellbeing of the American people.'"

He sent the following telegram to Governor Wilson:

"The American people by a great plurality have conferred upon you the highest honor in their gift. I congratulate you thereon."

THEODORE ROOSEVELT.

## DEBS DID NOT VOTE

Failed to Register in Indiana—Celebrates 57th Birthday.

Terre Haute, Ind., Nov. 5.—Eugene Debs, Socialist nominee for President, did not vote to-day. Owing to his extensive campaign tour, he was unable to be at home during the registration period.

He spent the day quietly at home, where he received congratulations on his fifty-seventh birthday anniversary.

## GOV. MARSHALL WARNS

Democrats Must Heed the People, He Asserts.

Indianapolis, Nov. 5.—Governor Thomas R. Marshall, Democratic candidate for Vice-President, when assured of the success of the national ticket, said:

"The Democratic victory to-day will result in a restoration of representative government in America. If Democratic officials, both state and national, shall constantly remember that executive duty consists in the enforcement of the law and in the insistence upon legislative compliance with Democratic platforms and principles; if legislative representatives will remember that they are to represent the people and not any interest whatever and will be zealous to formulate into legislation the principles either enunciated in Democratic platforms or growing out of the basic principles of Jeffersonian democracy; and if judicial representatives will give us the perfection of reason in the light of to-day and not in the light of two centuries ago and shall be content to construe, and not to make, statutory law."

## TAFT SOUNDS RALLYING CALL

President Urges Republicans to Gather Again to the Party Standard and to Organize to Defend Constitutional Government.

Cincinnati, Nov. 5.—President Taft at 11 o'clock to-night conceded the election of Governor Wilson. He issued the following statement from his brother's home here:

"The returns insure the election of Governor Wilson to the Presidency. This means an early change in the economic policy of the government in reference to the tariff. If this change can be made without halting prosperity, I sincerely hope it may be.

"The vote for Mr. Roosevelt, the third party candidate, and for Mr. Debs, the Socialist candidate, is a warning that their propaganda in favor of fundamental changes in our constitutional representative government has formidable support.

"While the experiment of a change in the tariff is being carried out by the Democratic administration it behooves Republicans to gather again to the party standard and pledge anew their faith in their party's principles and to organize again to defend the constitutional government handed down to us by our fathers. We must make clear to the young men of the country who have been weaned away from sound principles of government by promise of reforms impossible of accomplishment by mere legislation that patriotism and common sense require them to return to the support of our Constitution. Without compromising our principles, we must convince and win back former Republicans, and we must reinforce our ranks with Constitution-loving Democrats.

"We favor every step of progress toward more perfect equality of opportunity and the ridding society of injustice. But we know that all progress worth making is possible with our present form of government, and that to sacrifice that which is of the highest value in our governmental structure for undefined and impossible reforms is the wildest folly. We must face the danger with a clear knowledge of what it is.

"The Republican party is equal to the task. It has had no nobler cause. Let us close ranks and march forward to do battle for the right and the true."
